Is your family an alumnus of Perinton Nursery School? No Yes

If no, how did you hear about our school?

Perinton Nursery School (PNS) is a cooperative school in which the educational program is designed and implemented by professional teachers. PNS is, however, administered by a board of directors comprised of parents/guardians of enrolled students. Upon enrollment of your child in PNS, you agree to join the cooperative experience and fulfill the following duties:

(please initial each after reading):

Attend September parent orientation meeting

Drive and supervise your child on 2-5 trips per year. Carpool arrangements can be made independently.

Have your child examined by a physician and return a completed health form to the school Health Secretary on or before the September orientation night. Your child will not be allowed to attend school until a completed health form with all required information is received by the Health Secretary. **Note: Due to state policy, we do not administer medications.** We administer basic first aid and epi-pens. We have a nut-free snack policy, but cannot guarantee that the facility is nut-free.

Pay the total tuition in equal quarterly installments, upon receipt of the bill. The payments are due on or around the 15 of July, October, January and March. Late fees will be assessed if payments are late.

A \$50, nonrefundable registration fee must accompany each registration contract for each child enrolled at Perinton Nursery School. Checks can be made out to "Perinton Nursery School" with the student's name in the memo line and mailed with this completed registration form.

Co-op parents only 3 year old classes

Attend parent training session and fulfill all assigned co-op duties

Perform working parent duties as scheduled (average of 6 for 3am, average of 8 for 4 am)

Contract Cancellation Policy:

The parents assume financial obligation for the payment of tuition for one full school year. Parents may be released from this obligation only in the event of the following circumstances and with written approval from the Board: (1) the child moves out of the Rochester area, (2) a prolonged illness of the child or parent/guardian, (3) a joint decision by teacher and parents/guardians that enrollment in PNS is not in the child's best interest at the time. Contract cancellation may result in the assessment of a cancellation charge as determined by the Board.
