Perinton Nursery School (PNS) is a cooperative school in which the educational program is designed and implemented by professional teachers. PNS is, however, administered by a Board of Directors comprised of parents/guardians of enrolled students. Upon enrollment of your child in PNS, you agree to join the cooperative experience and fulfill the following duties:

(please check in agreement to each after reading):

Attend September parent orientation meeting

Drive and supervise your child on 2-5 trips per year.

Have your child examined by a physician and return a completed health form to the school Health Secretary on or before September 1st. Your child will not be allowed to attend school until a completed health form with all required information is received by the Health Secretary.

Note: Due to state policy, we do not administer medications. We administer basic first aid and epi-pens. We have a nut-free snack policy, but cannot guarantee that the facility is nut-free. Pay the total tuition in equal quarterly installments, upon receipt of the bill. The payments are due on or around the 15 of July, October, January and March. Late fees will be assessed if payments are late.

A \$50, nonrefundable registration fee must accompany each registration contract for each child enrolled at Perinton Nursery School. Checks can be made out to "Perinton Nursery School" with the student's name in the memo line and mailed with this completed registration form.

Fulfill all assigned in-class and outside-of-class duties. Parents will be required to help in the classroom an average of 6 and 8 days per school year, respectively. Outside of class, all parents are required to support the administration and maintaining of the school by holding a position on the board or a committee, and/or completing scheduled jobs throughout the school year.

A small percentage of families in the 4/5 year old class may choose to opt-out of in-person helping parent days and classroom maintenance jobs. Families will still be assigned 2-3 take home jobs during the school year.

Contract Cancellation Policy:

The parents assume financial obligation for the payment of tuition for one full school year. Parents may be released from this obligation only in the event of the following circumstances and with written approval from the Board: (1) the child moves out of the Rochester area, (2) a prolonged illness of the child or parent/guardian, (3) a joint decision by teacher and parents/guardians that enrollment in PNS is not in the child's best interest at the time. Contract cancellation may result in the assessment of a cancellation charge as determined by the Board.
